

LIST OF PUBLICATIONS SINCE PROCEEDINGS 6

---

- Boves, L. Fagel, W.P.F. and Van Herpt, L.W.A. (1982). Opinions of women and men concerning male and female speech. (In Dutch). De Nieuwe Taalgids, 75(1), pp. 1-23.
- Boves, L. and Fagel, W.P.F. (1982). Relations between semantic differential ratings of running speech and acoustic characteristics of the speech signals. Fortschritte der Akustik - FASE/DAGA '82, pp. 1095-1098.
- Buiting, H.J.A.G. (1981). SESAM. Speech Editing System Amsterdam (In Dutch). IFA-report nr. 70.
- Fagel, W.P.F. (1981). On judging voice and pronunciation. Interim report. (In Dutch). IFA-report nr. 71.
- Hennes, E. (1982). Estimation of formant frequencies and reconstruction of area functions of hardware vocal tract approximations. (In Dutch). IFA-report nr. 72.
- Koopmans-van Beinum, F.J. (1981). How can a measure for acoustic system contrast be related to speech production? In: F. Ferrero (Ed.) (1981). Proceedings of the Fourth FASE-Symposium on Acoustics and Speech. Vol. I, E.S.A.-Roma, pp. 123-126.
- Koopmans-van Beinum, F.J. (1982). Acoustic and perceptual aspects of vowel contrast reduction and the role of phonology. (In Dutch). Spektator 11, nr. 4, pp. 284-294.
- Koopmans-van Beinum, F.J. (1982). Vowel reduction, acoustic system contrast, and vocal tract length. J. Acoust. Soc. Am. Suppl. 1, Vol. 72, Fall 1982, S101(A).
- Koopmans-van Beinum, F.J. Systematics in vowel systems. In: M.P.R. van den Broecke, V.J.J.P. van Heuven and W. Zonnenveld (Eds.), Studies for Anthony Cohen. (to appear in 1983).

Koopmans-van Beinum, F.J. and Van der Stelt, J.M. (1981).

Development of speech movements in the first year of life. (In Dutch). Logopedie en Foniatrie 53 nr. 6, pp. 320-328.

Meinsma, G.L. (1981). The phonetics of Lambert ten Kate. A text-edition in reprint [in Dutch] with an introduction. IFA-report nr. 69.

Meinsma, G.L. (1981). [Same text in reprint with annotations in Dutch]. Amsterdam.

Van der Stelt, J.M., Heddem, H., de Jongh, M., Van der Linden, J., Nagtegaal, D., Slockers, V., Splinter, L. and Vonk, L. Babbling and Interaction between Mother and Infant. (In Dutch). IFA-report nr. 68.

IFA-reports are internal publications of the Institute of Phonetic Sciences of the University of Amsterdam, and are available upon request.
